

What is SCRIP?

SCRIP is gift certificates to local grocery stores, retail stores, gas stations, restaurants and many other places, which you purchase at face value and then use just like money when you shop!

Why should I use SCRIP?

- **You help the parish** – Our parish education center gets a percentage of the sales to support their programs. Over the last three years, we have earned an average of \$38,000 per year, keeping costs down and lowering the parish subsidy!
- **You help your family** – If you use SCRIP, 50% of your profits will go towards lowering your tuition bill for Religious Education, Youth Ministry or the Parish School.
- **You can help other family or friends, OR they can help you!** If you indicate their name on the sign up form, you can designate your profits to help other family members or friends who are in religious education, youth ministry or the school! So, pass the word to Grandma & Grandpa, aunts & uncles, neighbors and friends!

No Extra costs for SCRIP!

You get exactly what you pay for! If you buy \$50 worth of SCRIP, it costs you \$50.

SCRIP is easy to use!

- Use it just like money!
- You can even use it to pay some credit card accounts!!! (Kohl's & JC Penney's)
- You can purchase SCRIP after Mass on the 2nd and 4th Sundays of each month or pick up order forms through the school or Religious Ed. Office.
- Check out the listing of places you can use SCRIP on the reverse side!

Scrip is *Easy* to Use!!

The *more* you use SCRIP the *less* you pay for Tuition!

- If you use SCRIP regularly, you could end up paying the same or even less than you did this past year! Some families ended up paying **NO** tuition at all because of their regular SCRIP use! *That could be you this year!*

You can pay *even less* if...

- You ask other family and friends to complete an enrollment form and designate their profits to you when they purchase SCRIP. So, pass the word to Grandma & Grandpa, aunts & uncles, neighbors and friends!

How does SCRIP work?

- *For Example:* You order \$100 of PDO, \$200 of Woodman's & \$20 of Culver's.
- This SCRIP order generates \$17 in profit.
- 50% of the \$17 profit (\$8.50) is credited towards your tuition bill.
- *Think of how much you regularly spend on groceries and gas alone each week!*

START NOW
for your fall tuition!

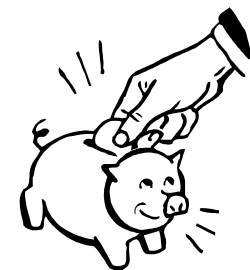

SCRIP credits will be applied toward your Religious Ed./Youth Ministry or School tuition statement twice each year, usually September and the end of January (A minimum of \$10 in credit must be accrued to receive this credit.)
