Save costs and the environment!

There are a number of ways you can help SMG reduce costs as well as be more environmentally responsible. Reading our regular publications online saves a variety of resources including staff time as well as printing and postage costs. You can help the parish reduce costs and protect the environment by receiving news and publications electronically.

In addition to SMG news and information, please send our family an email when:

A new weekly bulletin is posted at stmariagoretti.org (weekly)
Additional information and flyers inserted into each week's bulletin are included in the online version, as are our bulletin sponsor ads. Reading online and not taking the printed bulletin after Mass will eventually reduce the number of bulletins we need to print each week. But you are always welcome to take a printed bulletin after Mass!

A new Gatherings newsletter is posted at stmariagoretti.org (quarterly)
By agreeing to receive Gatherings online, I also agree to have my name and address removed from the printed Gatherings mailing list.
