IV. SCHOOL PROCEDURES AND POLICIES

TRANSFER STUDENTS

All students transferring into St. Maria Goretti Catholic School are admitted on a probationary status. Probationary status recognizes that the adjustment to a new situation can be difficult, and that special effort may be necessary to succeed. The student will be evaluated on an ongoing basis for academic and behavioral progress.

ARRIVAL

School begins at 7:40 a.m., with the tardy bell ringing at 7:47 a.m. It is necessary that students be regular and punctual in attendance. A child is considered tardy if he/she is not in the classroom by 7:47 a.m. There will be no supervision prior to 7:25 a.m. For this reason children are not to come to school early.

DISMISSAL

No child will be permitted to leave the grounds with another child or adult without written permission from his/her parents.

We request all K-8 parents who choose to pick up their child to wait outside the school entrance. Early Childhood parents may enter the building. Teachers in grades K-4 will escort their children to exit the school building. 5th-8th grade students will be dismissed out the middle school doors and proceed to the playground.

After five times of late pick-up, a reminder letter will be sent home, along with follow up from the principal. Parents are expected to be here at dismissal time and leave in a timely manner.

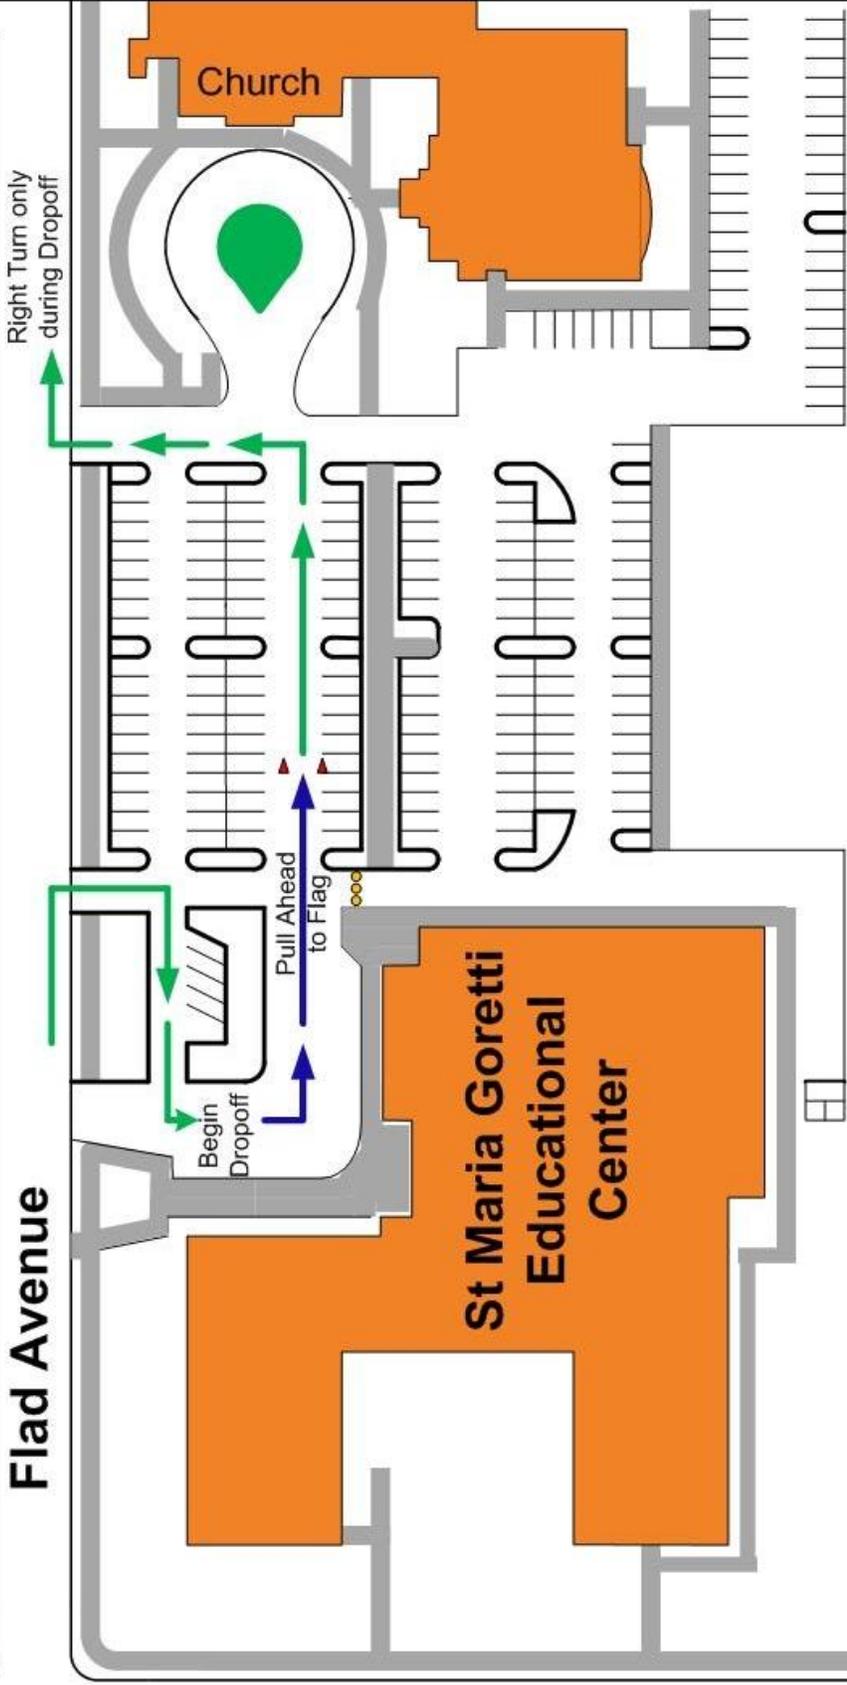

To provide for the safety of our children, please adhere to the following guidelines when picking up children:

- There is no parking along curb outside the school office
- K-4 children will remain with their teachers until they see their parents
- Parents are responsible for the after-school supervision of their children
- Drivers should keep the traffic moving whenever possible
- Only Handicapped individuals may park in the Handicapped lanes
- At no time should pets be brought for pick up or drop off
- There is no supervision after school after 2:40

St. Maria Goretti Discipline Policy

General School Statement of Discipline:

We believe that SMG is committed to excellence in its school programs and also considers discipline an essential part of the whole educational process to fully form a Christ-centered child. Within this context the Gospel values of respect, responsibility and right relationships are expected and developed. In order to provide each student with the opportunity to fully develop his or her potential, the Administration and Faculty of SMG Catholic School believes:

- The ultimate goal of both the home and the school, in regard to discipline, is to guide the children into habits of self-discipline. Good behavior begins in the home and habits of good conduct are to be carried over into the school setting.
- To experience a strong sense of belonging, each student must feel capable of completing tasks in a manner that meets the standards of the school. Students must communicate in a respectful manner with teachers and classmates.
- High standards of discipline are necessary for providing an atmosphere conducive to learning.
- Consequences of behavior, rather than punishment, will be the norm of disciplinary actions.
- Parents will be informed of student behaviors that are not conducive to a successful learning atmosphere or are disrespectful of others.

Procedures

Our school discipline policy exists in order for parents, students and teachers to work together more effectively as a team. In order to accomplish this, we have set forth the following procedures and guidelines to be followed:

Teachers will:

1. Formulate and discuss classroom and school rules.
2. Remind students of the rules as the need occurs.
3. Enforce all school and classroom rules in a consistent manner.
4. Issue warnings, and/or give detentions etc. as needed
5. Contact parents, as necessary, either through written note, email or phone.
6. Contact the principal with any concerns about individual students.

Students will:

1. Help formulate and understand the meaning of all classroom and school rules.
2. Follow classroom and school rules everyday
3. Be responsible for their own actions and accept consequences without arguing.
4. Present the true circumstances of events to both parents and teachers.

Parents will follow these steps:

1. Review the child's behavior on a consistent and regular basis.
2. Encourage the child to follow the school rules and regulations.
3. Contact the teacher by written note or email to discuss any student concerns.
4. If a conference is necessary always email or call the teacher ahead of time.
5. Contact the principal or assistant principal, if communication has not resolved the concern.

CODE OF CONDUCT

In a spirit of cooperation, we expect that all students of St. Maria Goretti Catholic School will:

- Show respect for all members of the school community.
- Respect the property of others.
- Use appropriate language.
- Follow the uniform policy.
- Complete classroom work.
- Follow playground guidelines.
- Follow the school attendance/tardy laws of the State of Wisconsin.
- Show care for all school materials.
- Show care for all school facilities.
- Know that St. Maria Goretti is drug-free, weapon-free and harassment-free.
- Keep personal electronic devices at home or in a backpack during the school day. Comply with the Technology Acceptance Usage policy.
- Be present for all required activities unless officially excused by the administration.
- Not give unauthorized assistance on tests, quizzes or assignments.
- Stay on grounds during the school day.
- Demonstrate good behavior when engaged in all school-sponsored extra-curricular activities.

Although the school is not responsible for off campus behavior, if the results of that behavior affect the workings of the school day, the administration may determine that consequences would be justified.

SMG Faculty and Administration reserve the right to deem certain behavior inappropriate and impose appropriate consequences for such behavior.

Social media has been an integral part of student's lives but when negative interaction affects the workings of the school day, we expect parent support in resolving the issues.

If the Code of Conduct is broken, consequences could include the following: detention, conferences with parents/principal, individual contracts to improve behavior, suspension, or expulsion.

Harassment

Harassment includes any type of bullying. Bullying is a repeated abuse of power by an individual or group who deliberately targets others for physical, psychological or emotional abuse. Examples of bullying behaviors include, but are not limited to: a pattern of intimidation, threats, menacing taunts, teasing, spreading rumors, cyber-bullying, texting, social networking, picking-on or isolating others by gender, other psychological abuse. Bullying can also include physical contact aimed at provoking a defensive or aggressive response.

The Diocese of Madison's board of Education has developed a policy that we implement here at St. Maria Goretti Catholic School regarding sexual harassment (DBA 4200). "All persons involved in educational programs are entitled to a working and learning environment free from all forms of discrimination including sexual harassment or intimidation. No educational employee, volunteer, or student shall be subjected to unwelcome sexual advances, requests for sexual favors, or other sexual conduct, verbal, visual, or physical."

Suspension and Expulsion Policy

Suspension is for a serious offense against the code of conduct policies of the school community. An in-house suspension may be served by students if determined by administration.

Actions resulting in suspension include, but are not limited to, the following:

- Any form of harassment
- Gross defiance
- Disrespect toward staff, students, volunteers or property
- Preventing a teacher from teaching
- Continually upsetting the order in the classrooms or the school in general
- Any action that could result in expulsion as identified below

Expulsion is an extreme measure and will be used only on very rare occasions and if all efforts to correct the negative behavior have failed. A student may be expelled for repeatedly refusing or neglecting to obey the school rules.

Actions resulting in expulsion include, but are not limited to, the following:

- Any form of harassment
- Striking or assaulting any school employee
- Gross defiance
- Battery and/or attack
- Exhibiting, using or threatening to use, any weapons on or near the school premises
- Use or possession of any controlled substance

Search and Seizure

The school retains the right to search a student's locker or have a student empty purses, book bags or pockets when a reasonable cause exists. Any searches will be conducted by an administrator in the presence of another adult. Parents may be notified if a search has been conducted.

UNIFORM POLICY-Regulations

Uniforms are available from Land's End and also SMG Gorettiwear is available year round in the school office.

Uniform re-sale closet is available all year long during school hours.

Land's Ends website is www.landsend.com. Please refer to our school identification number when making purchases. That ID# is: 9001-0852-3. You can click on the Land's End widget right on the front page of the school website.

--VISIBLE CLOTHING MUST BE UNIFORM CLOTHING, OR THE CHILD WILL BE ASKED TO CHANGE. (ie.-CAMISOLES OR T-SHIRTS UNDER TOPS MUST NOT BE SEEN).

--SHOES: If students choose to wear exposed shoes (ie-flip-flops, sandals), they must stay off the wood chips for safety purposes. They also risk injury. We recommend students wear shoes that are safe on the playground.

--Acceptable sock, legging, and tights colors are: (SOLIDS ONLY), White, Red, Light Blue, Dark Blue, Tan, Black, Gray. These are uniform colors. This applies to boys and girls.

--We know that white and black plain socks are available for purchase. We do understand that purchasing the red, gray, light and dark blue socks are more difficult to find unless they have a small logo on them. In order for the boys to have the choice of all uniform colors, we will accept the socks with a small company logo (i.e.-small Nike

swoosh or small Adidas triangle, etc..) but no words or large patterns, stripes or figures. The logo needs to be **very small**...and not take up the majority of the sock.

--Skirt and Short length must be approx. two inches above knee.

--We encourage families to plan ahead and use SCRIP to purchase uniforms. This helps in two ways: the school will receive a percentage of each purchase (17% - Lands End) and each family can receive a tuition credit based on the amount of SCRIP that is purchased.

--If you have questions or if purchasing uniforms will be cost prohibitive for your family, please feel free to contact the school office. (271-7551)

Uniform Non-Compliance

First Offense: Written Notice sent home.

Second Offense: Phone call to parent-change of clothes.

Third Offense: Your child will be issued clothes from the used uniform sale to change into.

PE Clothing Policy

ALL STUDENTS MUST WEAR TENNIS SHOES TO P.E.

No shoes that leave black marks on the gym floor will be allowed.

Physical Education clothes are limited to P.E.

Grades K-4 do not change clothes for P.E. Must bring tennis shoes.

Grades 5-8 change into appropriate shorts and t-shirts

***PE Shorts should be mid thigh length-not shorter.

***Loose fitting tops (ie tshirts) with appropriate wording.

SCHOOL ATTENDANCE

The attendance record is a legal document and remains in the students permanent record.

For your child's protection, please contact the school office by either a phone call or email at 271-7551 (by 8:30a.m.) if your child will not be in school that day. We need to account for all absences. Please contact school with the reason your child is not in attendance.

APPOINTMENTS

Please avoid scheduling dental or doctor appointments during the school day. However, should such an appointment be necessary, **you will need to provide a note from the doctor, dentist, etc.** Students who are away from school for an appointment for 3 ½ hours or more, will be counted as absent for ½ day. Your child **MUST** be signed in and/or out of the building by the parent/guardian. Sign in/out sheets are in the school office.

We will follow the State of Wisconsin attendance laws and permit 10 days of excused absences. (ie-sick or vacation). After that, all absences are inexcused unless we have a note from the doctor.

If you email the students attendance, please email the teacher, and Beth or Maria in the office.

In cases when students are tardy more than 5 times per academic quarter, the following actions will take place:

- The student's parent(s)/guardian(s) will receive an email and/or call from the SMG principal as a reminder to assist with tending to attendance issues.
- After 5 tardies, you will receive a call from the principal to develop solution.
- After 6 tardies, a meeting with the principal will be scheduled, and further action taken.
- Further action will be taken if tardiness continues.
- Excessive absence (40) days or the equivalent of 40 days including tardies, can be cause for a student to be retained in the current grade for another year.

VACATIONS

We encourage families to plan vacations at times that coincide with the school vacation schedule. Please inform the principal of circumstances necessitating a vacation during school days. Also, parents are to inform the school office if they will be out-of-town and their child remains in the care of another adult. Please leave names, addresses and phone numbers of the adults responsible for the care of your child. We also request emergency contact information. Please see policy on homework for planned absences.

RED ALERT-EMERGENCY CLOSING

When morning weather conditions are such that the school might be closed, you will receive a phone call or email from our Red Alert system. If the Madison Public Schools are closed, St. Maria Goretti Catholic School will also be closed. However, St. Maria Goretti does reserve the right to make its own decision about closing. If severe weather

conditions develop during the day, listen to the radio and television for announcements. Parents may pick up their children early after contacting the school office.

SCHOOL SECURITY

Security cameras have been installed inside and outside of the building. This is to help us maintain a safe environment.

A Safety Manual with specific procedures is located in the school office. A review of all procedures is conducted annually. The following security measures are currently in place at St. Maria Goretti Catholic School:

- Established drop off and dismissal traffic patterns are in effect.
- Doors are locked 24 hours a day.
- A FIRE EVACUATION PLAN specific to each classroom location is posted by the exit.
- Tornado, fire drill, bomb threat and other types of building evacuation procedures in place with specific codes. A mutual agreement exists between Orchard Ridge School and St. Maria Goretti Catholic School to share each other's facilities in the event of an emergency.
- Procedures are in place in the event of a playground emergency.
- Four adults supervise the noon recess. Two staff members supervise at other recesses.
- Protective Behaviors are taught throughout the school year and are reviewed periodically throughout the year.
- Teachers and staff are instructed on implementation of safety procedures.
- Students are always supervised.
- Field Trips always have one teacher and additional chaperones.
- We have established a visitor sign-in and sign-out procedures in the office.

CUSTODY ISSUES

In the event of a divorce or separation it is assumed by the school that each parent has been awarded equal rights in regard to access to their children. If there are special circumstances such as sole custody, limited access or restraining orders, copies of these court documents must be on file in the school office. The school needs full disclosure of the custodial agreement, or students will be allowed to go with either parent.

Legal documents such as report cards or standardized testing will be sent to both households.

LUNCH PROGRAM

An in-house hot lunch program is available for students in grades K-8. Menus are posted on the TeacherEase website (www.teacherease.com) and on the Hot Lunch page of the school website under Parent Info or in the Quick Links section. Two main dish options or salad bar are offered every day that school is in session for a full day. Each option includes a choice of five nutritional components: dairy, grains, meat or meat alternate, fruits, and vegetables.

Cost

The cost of a *complete reimbursable student meal* is \$2.95. St Maria Goretti Catholic School follows the National School Lunch Program Meal Requirements.

<http://dpi.wi.gov/nutrition>

<http://www.fns.usda.gov/school-meals/child-nutrition-programs>

In order to count as a *complete reimbursable meal*, based on government guidelines, a student must choose at least three of the five components offered on a daily basis (dairy, grains, meat or meat alternate, fruits and vegetables). Additionally, one of those three components must be a full serving (1/2 cup) of fruit, vegetable, or a combination of fruit and vegetable. If a student does not choose a complete reimbursable meal, lunch items cannot be charged as a bundled non-reimbursable meal under the Smart Snacks regulations and must be charged individually. Therefore, the price per category will be as followed: Main dish (choice one/choice two): \$2.50. Meat or meat alternate: \$1.75, fruits: \$0.75, vegetables: \$0.75, grain: \$0.75, milk: \$0.40. Please contact Nohora Reyna, Food Manager (608)268-2980, if you have questions regarding State of Wisconsin meal requirements.

For 3rd through 8th grades an extra serving of the choice one or choice two, called “a la carte,” is available for an additional \$1.75. For 2nd grade students, the “a la carte” option will only be available once they have finished their meal. If time allows, and they still would like the “a la carte” option, they will be able to come back through the line. Please note that the salad bar option cannot be an “a la carte” addition to any meal. If salad bar is chosen as a meal, the choice one or two options are not available as “a la carte” servings. Extra milk for hot lunch and cold lunch students is available at a cost of \$0.40. Water is available at no charge to all students during lunch time. Parents, siblings, and other guests are welcome to join students for lunch any day for \$3.65 per meal.

Lunch Accounts

Student lunch participation and account balances are tracked via TeacherEase. Accounts are updated daily to show charges. Deposits will be recorded on a weekly basis. No monthly statements are issued; please check your student’s lunch account frequently to ensure that funds are available. Accounts with outstanding balances will receive

reminder e-mails each week. Please refer to our “Unpaid Meal Charge Policy” below. Payments to lunch accounts can be made by check, through the school office, or by using the parish online payment system. Be sure to use the memo line of your check, or the comment box online, to indicate if you would like your payment divided between your children.

Unpaid Meal Charge Policy

USDA Policy Memorandum SP 46-2016 requires all School Food Authorities (SFAs) operating federal school meal programs to have a written Unpaid Meal Charge Policy.

The SMG Unpaid Meal Charge Policy is to provide children with adequate nutrition to focus in school, to minimize stigmatization of children with meal charges and to maintain the financial integrity of the program. SMG will communicate privately with families about a child’s outstanding balance with payment reminders directly and discreetly to adults in the household. While working with families to obtain payment, SMG will continue serving the student(s) reimbursable meals, the student will not be allowed to take the extra “a la carte” option.

The SMG Unpaid Meal Charge Policy will be communicated at the beginning of each school year at registration to all families and staff members responsible for collecting payment, notifying families of low/negative balances and enforcing the policy. The policy will be available on the school website under Hot Lunch and in the Family Handbook. SMG will review and revise the policy as needed annually.

Parents of students with a negative balance of \$20 or more will receive a reminder email with the student’s balance due. If your student’s balance goes over negative \$40, you will receive an email requesting payment immediately or to set up a payment plan. If the family balance reaches a negative \$100, the school principal will be contacting the parents requesting payment immediately or to set up a payment plan. At this time, if payment/payment plan is not made, your child will be required to bring a cold lunch until arrangements have been made. Payments to lunch accounts can be made by check through the school office, or by using the parish online payment system. Be sure to use the memo line of your check, or the comment box online, to indicate if you would like your payment divided between your children. Food service funds will not be used to cover costs related to uncollectible debts.

Funds remaining in the graduating/transferring student’s lunch account will be transferred to younger sibling(s), applied to school tuition, youth ministry or any other programs that the family chooses. If there is nowhere to transfer the money, SMG will make three attempts to contact the family via email, phone or mail to issue a refund. If SMG is not able to issue a refund, it will be turned over to Wisconsin Department of Revenue (DOR) as unclaimed property. If you have questions, please contact the Lunch

Billing Coordinator, Cynthia Johnson, (608)268-2980 or email at lunch@stmariagoretti.org .

The application and instructions are available at the school office, kitchen office or on the school website under Hot Lunch program. Reduced lunches cost \$0.40 per meal. **Please note that free and reduced rates apply only to complete reimbursable meals** – that is, meals that follow the guidelines stated above under “Cost.” If it is not a complete

reimbursable meal, each lunch item will be charge individually. Please refer to the “Cost” section of the handbook for this information. Extra “a la carte” servings cost \$1.75, and an extra milk serving costs \$0.40, regardless of the child’s free/reduced eligibility.

Volunteer Requirements

In order to serve the children in a timely and enjoyable matter, SMG relies on parent volunteers. Each SMG School Family is asked to sign up and complete five days in the lunchroom (the shifts are from 10:45 am until 12:30 pm) or buyout at a cost of \$150 per family. At registration, families must choose one of these options. After October 1st, any families that have not signed up will be charged the buyout fee. Please sign up for **ONLY five shifts** on the lunchroom volunteer calendar to ensure all families have shifts available. Since volunteers are a very important part of the lunch program, SMG prefers and appreciates volunteers to work their shifts versus paying the buyout fee. Lunch is available to volunteers at the cost of **\$3.65**.

If you choose to buyout, please send payment by October 1st. If you are paying by check, please indicate “Lunch Volunteer Buyout” in the memo line. You can also use the online payment system at www.stmariagoretti.org; please use the lunchroom buyout category.

If you are scheduled to work a lunch shift and have an emergency that prevents you from attending, **PLEASE CALL (608)268-2978** as early as possible, to allow the lunch staff to find another volunteer. If you do not contact the kitchen by 9:00 am, and do not work your shift, you will be charged a \$50 “no-show fee” through your student’s lunch account.

If you are interested in working additional lunch shifts during the school year, you may sign up as an “extra shift volunteer” in the kitchen office. You will be paid \$20 per extra shift beyond the required five shifts, via your student’s lunch account. We will contact the extra shift volunteers via e-mail or phone if extra help is needed. Any questions, please contact Cynthia Johnson at (608)268-2980 or lunch@stmariagoretti.org.

LUNCHTIME PLAYGROUND – RECESS

We have paid supervisors on our playground during the lunchtime recess. Each supervisor will have Virtus training and a thorough Background Check.

While we realize that there are certain times when the weather is too inclement for anyone to be outside (in which case indoor lunch and recess periods are scheduled for all) please bear the following in mind when preparing your children for school:

Please prepare your child for cold weather. Areas of the body vulnerable to exposure to the cold should be covered (i.e. head, neck, hands, feet, etc.). The following rules apply:

--Snowpants/boots required for all students for snow mounds.

--K-5-boots and snowpants on any area.

--Middle School-boots on the snow covered grass and snow.

When is it TOO COLD for children to be outside? Plan to send your children outside each day. We will make the decision for outside recess each day depending on the weather before the beginning of each recess time.

If students are too ill to go outside for recess, they should remain at home unless we have a doctor's excuse.

PLAYGROUND RULES These rules apply before, during and after school.

- No throwing of woodchips.
- No walking up the slide.
- One person at a time on the slide or on a swing.
- No tackling.
- Snow or ice may not be handled or kicked. Students can build forts and snowmen but snowballs or ice in their hands with the possibility of having it thrown or kicked will not be tolerated.
- Space Web: No standing on top ropes
No sitting or standing on red support bars
- X-Wave: (K-5) Maximum 9 students seated
(6-8) Maximum 6 students total
- Students must receive the supervisor's permission to enter the school building during recess time. They must check back with supervisor upon returning.
- The students will be advised in school when they should remain on the paved areas due to muddy conditions.
- All students should adhere to playground boundaries. Neighbors yards are not allowed.

- All children should stop playing and return equipment to bins when the bell rings and line up in the proper place.

Students who show disrespect for the supervisor or who refuse to comply with the rules will lose playground privileges. Disagreements among students, which cannot be mediated on the playground, will also be brought to the attention of their teachers or principals.

Parents should review basic safety precautions with their children. All students should remain in sight. Remember to caution your children that our play area is accessible to the street. Boundaries are necessary for their protection from cars and undesirable strangers.

HEALTH

A student needs to be symptom free for 24 hours before they can return to school. (I.E. Fevers, vomiting, diarrhea). Also, if a student is put on an anti-biotic, they must be on the medicine for 24 hours before returning to school.

In case of a lice outbreak, please treat your child and keep them home for 24 hours. Re-check for nits each day for 10-15 days.

No student is allowed to leave the school building because of illness without first reporting to the school office. Students need to be signed out by a parent.

The following are the minimum required immunizations for each grade level. Even though your child meets these minimum requirements, he or she may be in need of booster doses.

2019-2020 School Year

Grade	Number of Doses				
Pre K	4 DTP/DTaP/DT	3 Polio	1 MMR	3 Hep B	1 Var
K-8	4 DTP/DTaP/DT/Td	4 Polio	2 MMR	3 Hep B	1 Var

Please note:

- Student immunization record forms must be turned into the school office by the first day of school
- MMR vaccines must have been received on or after the first birthday
- If your child received the third dose of DTP/DT/Td and polio after the fourth birthday, further doses of these vaccines may be recommended, but are not required
- 2 doses of varicella (chickenpox) vaccine for students entering Kindergarten,

and 6th grade.

- 1 dose of Tdap (tetanus, diphtheria and acellular pertussis vaccine) for students in 6th grade.

VAR means Varicella (chickenpox) vaccine. Chickenpox disease history is also acceptable.

BIRTHDAY CELEBRATIONS

Invitations for home parties must be mailed out, not distributed in school.

There is no decorating of cubbies for birthdays.

All students are invited to share a birthday treat with their classmates and teachers on their special day. Please bring something easy to distribute.

We strongly encourage you to provide a healthy snack for birthday treats, instead of a sweet, sugary treat.

Guidelines for Snacks brought into School:

CURRICULUM

CURRICULUM DEVELOPMENT

At St. Maria Goretti Catholic School, we provide an educational experience that is both comprehensive in meeting the Madison Diocesan standards and expectations.

Consideration is given for the uniqueness of each student’s learning ability. SMG is fully accredited by the WRISA, (Wisconsin Religious Independent School Assoc), which requires our ongoing review and updating of curriculum consistent with standards set by the Madison Diocese.

Complete copies of curriculum are available in school office.

Curriculums are reviewed on a rotating basis. Updated materials are purchased after each curriculum review if needed.

MASS ATTENDANCE AND FAITH DEVELOPMENT

The students of St. Maria Goretti Catholic School (Grades 1-8) shall have the opportunity to participate in the Holy Sacrifice of the Mass twice weekly. Grades 1-8 attend on Friday, grades 1-4 attend on Tuesday, and grades 5-8 attend on Thursday.

Class attendance may change periodically. We encourage you to join with us in fostering devotion in our children from their earliest years. Kindergarten students will attend Mass on special occasions. All students attending SMG will participate in religion classes and attend Mass.

If you want to sit with your child at Mass, please meet in the vestibule before Mass so the teachers know where your child will be seated.

As a Catholic school family we value and promote our opportunities to develop a personal and communal prayer life through prayer and scripture in the classroom.

SPECIAL NEEDS

The SMG Administration, teachers and support staff firmly believe that working together with parents is the most successful way to support all of our students and especially those with any kind of special need. If it is determined that an SMG student has a special need to become a successful student, we will follow the procedures below to work together to support the student:

- The parent and/or teacher identifies a concern that impedes a student's progress in the classroom.
- The parent and teacher work together to implement strategies to support the student with the identified concern. These strategies may involve the student and our SMG Counselor, Reading Specialist, or SMG Learning Resource Teachers working together.
- The teacher may recommend further evaluation outside of St. Maria Goretti Catholic School if the implemented strategies have not been successful. This evaluation process may begin with the student's pediatrician or with the Madison Metropolitan School District.
- If the continued evaluation is with the pediatrician, the parent/s will take the lead on working with the pediatrician or another professional that is recommended. A communication system between parent-teacher and outside professional should be set up to address the needs of the student. SMG teachers are more than willing to work with outside professionals to support their students.
- If the continued evaluation is with the Madison Metropolitan School District (MMSD), the teacher will take the lead in organizing the appropriate intervention. The following MMSD programs are available to our students:
 - Student Service Intervention Team (SSIT) Meeting:
The SSIT meeting will consist of the parents, teacher and an MMSD teacher. After gathering all student information, the outcome of this SSIT meeting is to determine the course of action to address the needs of the student. If further evaluation is to take place, the MMSD teacher will come to SMG to observe and evaluate the student. A final meeting to report the findings of the

observation and evaluation will be held with the parent/s, teacher and MMSD teacher.

- **Title I Reading and Math Instruction:**
First of all, students need to qualify by having an address that is in the boundary of a Title I MMSD school. If students qualify by address and their teacher feels that the Title I services would be a good support, the student will have a short evaluation to see if they qualify for the Title I services. An MMSD teacher will come to SMG to work with students for Title I services. SMG teachers will contact parents for permission before any Title I evaluation or service begins.
- **ELL Screening:**
SMG students who speak English and another language in their home may be given the ACCESS evaluation. This evaluation is administered by our SMG Learning Resource Teacher. The results of this evaluation help determine if there are any areas of the English language where the student needs extra support. Parents will be notified before their student takes this evaluation.
- **Speech Articulation:**
If there is a concern for speech articulation, the SMG teacher or SMG Learning Resource teacher will give the student a speech inventory to determine if there is a need to pursue an evaluation by the MMSD speech teacher. If an SMG student is found to qualify for speech intervention, and MMSD speech teacher will come to SMG to work with the student. Parents will be notified before any of this process begins.
- **Private Tutoring:** Sometimes it is decided by the teacher and parent that private tutoring would be a good support for the student.
 - SMG does allow private tutors to come into our building during the school day. However, SMG teachers need to refer students for private tutoring during the school day. And, the parent needs to submit a request for this tutoring to the principal in writing or email for approval.
 - Private tutoring after school hours is scheduled by the parent.
 - SMG teachers are willing to coordinate with the tutor to support their student.

GRADING

Students in grades 1-8 receive a report card at the end of each academic quarter. Art, Music, PE, and Computer classes will be graded on effort each quarter. Achievement grades for these classes will only be given at semester.

C== 81	F=0

Effort Code of Conduct Scale:

-	Needs Improvement

CONFERENCES

First semester conferences with all parents and teachers are scheduled after the first quarter. Second semester conferences may occur at teachers or parents request. Please contact the teacher to set up.

When an individual concern arises, the first step for the parent is to see the teacher or person most immediately involved. Usually the problem can be solved. If satisfaction is not reached, then parents are to see the principal who will help work out an acceptable solution.

HOMEWORK

Homework is assigned as a means to help students review, understand and enrich subject matter taught during class. Homework is an expectation for all grades K-8. Time will vary with age of student. Please be aware that some classroom instruction during absences cannot be made up.

Students are to come to class prepared. Teachers and parents need to communicate if a student is having difficulty with homework.

Homework is automatically collected for sick children and left in the classroom. Parents who wish to get daily homework for an absent student should request the school office by 9:00 a.m. Assignments can be picked up at the school office at the time of dismissal or requested to go home with another student.

Parents should check with their child's teacher if he/she will be absent due to vacation. Teachers are not required to give homework in the anticipation for a vacation. However, the teacher could determine if there is work that could be completed prior or during the vacation.

BAND

The St. Maria Goretti Band program is provided through Overture Band (877-1313). Students in grades 4-8 will have the opportunity to participate. Introductory information will be sent home with all students in grades 4-8. Returning band students will receive sign-up materials during the summer. Please call Overture directly with questions pertaining to this program.

PETS

Please note that pets are not to be brought to school for any purpose; not for drop off or pick up, or for show and tell. They should remain in the car. There are many students who have severe allergies. Also, some people are very uncomfortable around animals.

APPOINTMENTS

The value of conferring with teachers/staff cannot be over-emphasized, but a teacher may not be interrupted during class except in an emergency. If you wish to confer with a teacher or with the principal, please make an appointment by calling the office during the school day and that person will return your call.

COMMUNICATION

All paper correspondence from the office and classroom will come home with your child each Friday, via the red Friday Folder. Tuition bills will be emailed to you. Hot lunch balances are available on the Teacherease System. Calendars, menus and other sheets will be available on the school website for you.

You may return any paperwork, or bills through the Red Folder. All folders will be collected each morning and all necessary paperwork turned into the office. Please join us in making SMG a greener place and save a tree or two! Please note that the Friday Folder is not a forum for invitations and such.

The office sends out a weekly email with pertinent information.

All forgotten items must be dropped off at the school office. Student use of the telephone is limited to emergency situations only - no student has permission to call his/her parents for forgotten articles. Phone calls are limited to encourage responsibility with students. This includes homework, gym clothes, projects, books, musical instruments, rides home at dismissal time, making plans to visit friends, etc. The phone is not to be used to make play dates after school.

All calls should be made from the office-not the classroom or a cell phone.

IV TECHNOLOGY

PERSONAL ELECTRONIC DEVICES

Cell phones, music/game devices are not to be used at SMG during the day. Any electronic equipment used during the school day will be confiscated. Parents/guardians need to pick them up in the office. They will not be returned directly to the student. After second offense, device will be kept until the end of the school year.

STUDENT PHOTOGRAPHS AND RIGHT TO PRIVACY

During the course of a school year, individual students and student groups are occasionally videotaped and/or photographed in the classroom situations, during fine arts performances, and on field trips etc.

The resulting photo and/or video may be used in a variety of ways to promote the school, to instruct students or staff members, or to orient new parents, staff, and

students. The final product could also take a variety of forms: photo displays, slide presentations, newspaper articles, pamphlets, video programs, school yearbook, school website and social media.

No last names of students will be used on any of these websites. A last initial may be used for information posted on the SMG website and Teacher Page in the event there are multiple children with the same first name.

Pursuant to the Family Educational Right and Privacy Act and State Statute 118.125(1)(d), any parent/guardian or eligible student (18 years of age or older) may inform the school of their desire that their child not be photographed or videotaped. If this is your desire, please send a letter indicating such to St. Maria Goretti School, Attention: The Principal.

VII ASSOCIATIONS AND VOLUNTEERS
